THE BRIT ASHLEY CROSS

## Corporate Pack

**Meetings / Conferences / Presentations / Networking Events / Product Launches / Drink Receptions / Christmas Parties / Social Functions**

The BriT is pleased to offer three very different yet rather British conference spaces.

Our **Snug Bar** would lend itself to a more informal meeting or networking event. Ideal if you are hosting an event for 15 to 30 people. Our **Westwood Room** is more spacious and perfect if lunch is on the agenda. It benefits from being light and airy plus has a large screen that can be utilised for seminars if needed. This area will seat 60 comfortably or 100 standing if milling and mingling are more the order of the day. **The BriT Bar** is our largest room and has a traditional pub feel. It houses the largest HD screen in Dorset and can hold 100 sitting with ease; far more standing.

Whether you're looking for a formal or more relaxed atmosphere, all our rooms offer modern decor with excellent facilities.

Menus can be bespoke or simply ordered from our standing bar/restaurant menu choices. We can also offer cream teas, British sandwiches and various BBQ options for larger numbers that are planning a longer meeting and would like to break for food and enjoy our decked garden area.

The BriT will cater to all of your business requirements to ensure your event runs as smoothly as possible!

*Then after it's all finished... laptops closed & ties off, you can enjoy a cocktail with us!!*
